

## Asure Software, Inc. Announces Closing of Public Offering of Common Stock

June 18, 2018

AUSTIN, Texas, June 18, 2018 (GLOBE NEWSWIRE) -- Asure Software, Inc. (NASDAQ:ASUR), a leading global provider of human capital management (HCM) and workplace management software, today closed its previously announced underwritten public offering. In the offering, Asure Software sold 2,375,000 newly issued shares of its common stock and iSystems Holdings, LLC, the selling stockholder, sold 500,000 shares of the company's common stock at the public offering price of \$17.50 per share. The number of shares sold by Asure Software includes 375,000 shares of common stock sold pursuant to an option granted to the underwriters that was exercised in full. Net proceeds to Asure Software, after deducting the underwriting discounts and commissions and other estimated offering expenses payable by Asure Software, were approximately \$38.6 million.

Asure Software intends to use the net proceeds received from the sale of the common stock for general corporate purposes. Asure Software may also use a portion of the net proceeds to acquire or invest in complementary businesses, assets or technologies, although Asure Software has not entered into any definitive agreement with respect to any specific acquisition at this time. Asure Software will not receive any proceeds from the sale of shares by the selling stockholder.

Cowen, Canaccord Genuity and Roth Capital Partners acted as joint book-running managers for the offering. Dougherty & Company and Barrington Research acted as co-managers for the offering.

The offering was made pursuant to effective shelf registration statements that Asure Software filed with the Securities and Exchange Commission (SEC). A final prospectus supplement describing the terms of the offering has been filed with the SEC and is available on the SEC's website at [www.sec.gov](http://www.sec.gov).
