TelePayroll, an Asure Software Company, Named in Capterra's Top 20 Most Popular for Payroll Software

AUSTIN, Texas, Feb. 22, 2018 (GLOBE NEWSWIRE) -- TelePayroll, Inc., an Asure Software Company that provides payroll and Human Capital Management (HCM) solutions, announced today that it has been named a Top 20 Most Popular Payroll software product by Capterra, a free online service that helps organizations find the right software. Asure Software (NASDAQ:ASUR) acquired TelePayroll on January 1st, 2018 in an effort to expand their West Coast footprint and provide TelePayroll's clients with a more comprehensive set of workforce management solutions.

For over 50 years, TelePayroll has provided payroll, human capital management and benefits services to employers on the West Coast. TelePayroll has built its business on a customer-centric model that includes dedicated customer support and deep payroll and tax expertise, powered by Asure Software's industry leading HRIS platform, Evolution.

Asure Software CEO, Pat Goepel, stated that it was an honor to see Evolution Payroll listed alongside well-known industry giants in this year's Top 20 Most Popular Payroll software comparison. "TelePayroll has been a leading provider in the small payroll service bureau space for over a decade and it is great to TelePayroll listed with much larger public companies. We are committed to providing the highest quality customer service in the payroll / HCM space, coupled with innovative solutions for managing the modern workforce. With our recent acquisition of TelePayroll, the current customer base will have the opportunity to choose from a variety of new products while still enjoying the services and support they currently value from their relationship with TelePayroll."
