Asure Software to Present at Future Offices West 2016

Uncovering the Keys to a Successful Workplace

AUSTIN, Texas, Sept. 19, 2016 (GLOBE NEWSWIRE) -- [Asure Software](#) (NASDAQ:ASUR), a global provider of human capital management and workplace management software solutions, is presenting today at Future Offices West 2016 in Los Angeles, California. [Joe Karbowski](#) and Sharon Weldon of Asure Software are presenting on aligning your business strategy with the latest modern office technology. [Future Offices West](#) is a yearly summit attracting the most elite minds from the world's most successful and workspace savvy businesses.

"The office space must now be designed with the employees in mind," said Joe Karbowski, Global SVP of Technology and COO, Asure Software. "We need to ensure the workplace is the preferred and most productive place for employees to create, collaborate, and connect. Our message at Future Offices West 2016 is that businesses of all sizes and complexities can operate more efficiently with the right tools and solutions."

Future Offices West has a robust lineup of attendees and presenters scheduled throughout the summit (September 19—21). Joe Karbowski is hosting the networking lunch today. Director of Strategic Advisors for Asure, Sharon Weldon, will present in the Round Table Discussion tomorrow. Some additional Future Offices West 2016 presenters include Jennifer Scott from Coca-Cola, Debby Andresen from T-Mobile, Alejandro Rivero from Samsung, Scott Ekman from Adobe Systems, and many more.

"At Asure Software, we are passionate about empowering businesses and workers to thrive," said Sharon Weldon, Director of Strategic Advisors, Asure Software. "At Future Offices West 2016, we are focusing our presentations on building a community center, both in space and technology."
