## **Asure Software Announces Receipt of Letter From Nasdaq to Delist Securities and Nasdaq's Subsequent Grant of Hearing Request to Appeal Its Decision**

AUSTIN, TX, Nov 20, 2009 (MARKETWIRE via COMTEX) -- Asure Software (NASDAQ: ASUR), a leading provider of workforce management software, announced that on November 18, 2009, it received a letter from Nasdaq stating that due to not satisfying the minimum \$1.00 bid price per share requirement per Listing Rule 5810<sup>®</sup>(3)(A)(i), its stock would be delisted from the NASDAQ Capital Market by November 30, 2009. However, on November 18, 2009, Nasdaq also granted Asure Software a hearing request to appeal the Nasdaq staff's decision. The hearing is currently scheduled to be held on December 10, 2009 and delisting will be suspended pursuant to the hearing.

On December 17, 2009, Asure's shareholders will be asked to vote on a proposal to effect a 10-for-1 reverse split which -- if approved -- Asure believes will satisfy Nasdaq's minimum bid price per share requirement. Asure intends to present this information to Nasdaq's Hearings Panel in December in an effort to pursue continued listing on the NASDAQ Capital Market.

### **About Asure Software**
