## Asure Software to Present iEmployee Workforce Management Software at Texas Payroll Conference and Exhibition

AUSTIN, TX, Sep 18, 2008 (MARKET WIRE via COMTEX News Network) -- Asure Software (NASDAQ: ASUR), a leading provider of workforce management software will be exhibiting at the Texas Payroll Conference and Exhibition September 24-27 in Corpus Christi, TX. The Texas Payroll Conference provides opportunities for payroll professionals to learn about technology advances, legislative and tax changes, and professional development all while networking with leading professionals in their region.

iEmployee will be showcasing their Time & Attendance solution at Booth #13 in the Corpus Christi Ballroom located in the Omni Bayfront Hotel. iEmployee's unified system architecture provides a secure, on-line platform that is scalable to meet the needs of Human Resources Management Solutions (HRMS) for companies between 50-5,000 employees.

About iEmployee

A pioneer in On Demand Workforce Management solutions, iEmployee delivers web-based, human resource management software that enables customers to easily, and affordably transition to electronic timesheets, benefits self-service, online human resources training, online expense reporting, salary planning and online paystubs and W2s. All products are fully hosted by iEmployee, there is no software to install or hardware to maintain, thus providing a quick and painless way for customers to take their first step into a fully-automated HRIS solution.
