Asure Software Creates Office of the Future

AUSTIN, Texas, Oct. 19, 2017 (GLOBE NEWSWIRE) -- Asure Software, Inc. (NASDAQ:ASUR), a leading provider of Human Capital Management (HCM) and workplace management software, announced today that it will launch its new Office of the Future corporate headquarters with a grand opening event on Thursday, November 2, 2017.

The Office of the Future will showcase Asure's WorkForce and WorkSpace solutions, designed to support the modern, digital workplace. The grand opening event will be held on November 2nd at 4:00 p.m., at Asure's new office located at 3700 North Capital of Texas Highway, Suite 350, in Austin. In addition to joining the ribbon cutting ceremony, guests will have an opportunity to network with peers, tour the unique, visionary space and demo Asure products within the space.

"Asure's Office of the Future is a living showcase of the power of our solutions to support the needs of the modern, digital workplace. In this new space, we are not just discussing the possibilities of a modern office — we have created it. As a team we are excited to be using our own technology and experiencing the impact of our products on the efficiency of our organization," stated Pat Goepel, CEO of Asure Software. "This opportunity will allow for continuous improvement of the client experience and ongoing modernization of our suite."

Asure clients and prospects will have the opportunity to see WorkForce and WorkSpace solutions in daily use, fostering collaboration, engagement and productivity. Asure's Office of the Future is a must-see destination for any organization desiring to build a modern, digital workplace.
