Asure Software's iEmployee to Exhibit at 11th Annual Human Resources Technology Conference & Exposition

Popular Human Resources Management Solution to Be Presented for Record Number of HR Executives and Professionals

AUSTIN, TX, Oct 09, 2008 (MARKET WIRE via COMTEX News Network) -- Asure Software (NASDAQ: ASUR), a leading provider of workforce management solutions, will be exhibiting at the HR Technology Conference & Exhibition, October 15-17 in Chicago, IL. This event is the world's leading event for HR professionals to learn about the latest technological advances that enhance human resource management and network with fellow colleagues within the HR industry.

iEmployee will be showcasing its popular HR Management and Online Benefit Enrollment solution, iEmployee HR & B, at booth #1144 in the McCormick Place convention facility in Chicago, IL. iEmployee customers, with workforces ranging from 50-5,000+ employees, enjoy improved operational efficiency and increased productivity by automating routine, manual tasks through iEmployee's internet-based, employee self-service HR software solutions.

About iEmployee

A pioneer in On Demand Workforce Management solutions, iEmployee delivers internet-based, human resource management software that enables small to medium-sized businesses to easily, and affordably transition to electronic timesheets, benefits self-service, online human resources training, online expense reporting, salary planning and online paystubs and W2s. All products are fully hosted by iEmployee, there is no software to install or hardware to maintain, thus providing a quick and painless way for customers to take their first step into a fully-automated HRIS solution.
