Asure Software to Host Leadership Summit

Next Generation Workplace

AUSTIN, Texas, Sept. 23, 2016 (GLOBE NEWSWIRE) -- [Asure Software](http://www.asuresoftware.com) (NASDAQ:ASUR), a global provider of human capital management and workplace management software solutions, is hosting a Leadership Summit today in Toronto, Canada. Jeff Roof, Vice President Solutions Architect, is presenting on tailoring a workplace that is aligned with your business strategy using the latest modern office technology. This Leadership Summit is a quarterly summit attracting business leaders, influencers and thinkers to discuss new workplace innovations.

"Workspace management systems play a major part in collecting actionable data, which is used to predict future utilization and help manage the workspace more productively," said Jeff Roof. "Asure Software has the solutions that can maximize real estate, improve productivity and solve workplace management challenges."

"Workspaces evolve and companies must adapt to meet the changing demands. If done right, workplace initiatives can carry some to the highest ROIs companies can achieve," said Sharon Weldon, Director of Strategic Advisors, Asure Software. "At our Leadership Summit, we are focusing on actionable data to make informed change management decisions."
