Asure Software Appoints Vice President and General Manager, Evolution

AUSTIN, Texas, July 06, 2017 (GLOBE NEWSWIRE) -- Asure Software, Inc. (NASDAQ:ASUR), a leading provider of Human Capital Management (HCM) and workplace management software, announced today the appointment of Web Hill as Vice President and General Manager, Evolution. Hill brings to Asure over 25 years of experience in leading large scale operations and transforming businesses within the financial services and HCM sectors. He will be responsible for leading the operations of the newest products in the Asure Software HCM suite, Evolution SMB HCM solutions.

"We're pleased to have Web join Asure as the leader of our Evolution suite," said Pat Goepel, Chief Executive Officer at Asure Software. "With his considerable industry expertise and his ability to build scalable, world-class organizations, Web will be integral to Asure's success in meeting the needs of a rapidly changing workplace and in its goal to grow the Evolution service bureau base."

Prior to Asure, Hill served as Executive Vice President at Ceridian, where he led several key business units including tax, EAP, government and retirement. Hill's financial services background includes serving previously as Senior Vice President at Dain Rauscher and Vice President of Norwest Banks (WellsFargo).

"I am excited to be joining Asure Software at such a pivotal time in the company's growth and am honored to be given the opportunity to lead the expansion of the Evolution service bureau licensee base," said Hill.
