Asure Software's Small Business Human Capital Management Solution Named FrontRunner for HRIS Software

June 13, 2018

AUSTIN, Texas, June 13, 2018 (GLOBE NEWSWIRE) -- **Asure Software** (NASDAQ:ASUR), a leading provider of Agile Workplace Solutions, which include Human Capital Management (HCM) and workplace management software, announced today that its small business HCM solution, Evolution HCM, was named a FrontRunner for HRIS software by Software Advice. FrontRunners is designed to help small businesses evaluate which software products may be right for them.

Asure Software's mid-market HCM solution, Evolution HCM, is a dynamic Payroll, HR, and Tax Management system developed by payroll veterans for the HCM industry. Providing unparalleled accuracy, productivity, and financial control within one fully integrated platform, Evolutions HCM gives the power and flexibility to operate and grow while continuing to meet the trends of the industry.

Joe Karbowski, CTO & COO of Asure Software said, "Asure Software is proud to be included in the top 30 HRIS solutions out of over 520 HRIS products that were evaluated, and it comes days after winning both a Bronze Stevie Award and People's Choice Award for our midmarket HCM solution." Karbowski continued, "We continue to expand and enhance our integrated platform to service our client's requirements, so Asure's product team and engineers will be thrilled to see their efforts recognized."

FrontRunners is published on Software Advice, the leading online service for businesses navigating the software selection process. FrontRunners evaluates verified end-user reviews and product data, positioning the top scoring products based on usability and user recommendations for small businesses.
