To Be Held Friday July 30, 2004

Dear Stockholder:

You are cordially invited to attend the 2004 annual meeting of stockholders of Forgent Networks, Inc., to be held at 108 Wild Basin Road, Austin, Texas, on Friday July 30, 2004 at 10:00 a.m. local time.

At the annual meeting, you will be asked to act on the following matters:

1. To elect six directors to the board of directors to hold office until the next annual meeting of stockholders or until their respective successors are duly elected and qualified;
2. To ratify the Audit Committee's appointment of Ernst & Young LLP, independent accountants, as our independent auditors for the year ending July 31, 2004; and
3. To transact such other business as may properly come before the meeting or any adjournment thereof.

YOUR BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED AND RECOMMENDS THAT AN AFFIRMATIVE VOTE BE CAST IN FAVOR OF EACH OF THE PROPOSALS LISTED IN THE PROXY CARD.

Only holders of record of common stock at the close of business on June 30, 2004 will be entitled to notice of and to vote at the annual meeting or any adjournment thereof.

Stockholders are urged to review carefully the information contained in the proxy statement attached hereto prior to deciding how to vote their shares at the annual meeting. Your participation in the annual meeting, in person or by proxy, is important. We hope you will be able to attend the annual meeting. **WHETHER OR NOT YOU PLAN TO ATTEND THE ANNUAL MEETING, PLEASE COMPLETE, SIGN, DATE AND RETURN THE ENCLOSED PROXY CARD PROMPTLY.** If you attend the annual meeting, you may revoke your proxy and vote in person if you wish, even if you have previously returned your proxy card. Simply attending the annual meeting, however, will not revoke your proxy; you must vote at the annual meeting. If you do not attend the annual meeting, you may still revoke your proxy at any time prior to the annual meeting by providing a later dated proxy or by providing written notice of your revocation to the Secretary of our company. Your prompt cooperation will be greatly appreciated.

Sincerely,

RICHARD N. SNYDER
Chief Executive Officer

This proxy statement is dated June 30, 2004 and is first being mailed to stockholders on or about July 9, 2004.

**PROXY STATEMENT
FOR 2003 ANNUAL MEETING OF STOCKHOLDERS**

July 30, 2004

The enclosed form of proxy is solicited by the board of directors to be used at the 2003 annual meeting of stockholders to be held at 108 Wild Basin Road, Austin, Texas, on July 30, 2004 at 10:00 a.m. local time.

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy and any additional information furnished to you. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services.

Some banks, brokers and other record holders have begun the practice of "householding" proxy statements and annual reports. "Householding" is the term used to describe the practice of delivering a single set of proxy statements and annual reports to any household at which two or more stockholders reside if a company reasonably believes the stockholders are members of the same family. This procedure would reduce the volume of duplicate information stockholders receive and would also reduce a company's printing and mailing costs. We will promptly deliver an additional copy of either document to any stockholder who writes or calls us at the following address or phone number: Investor Relations, Forgent Networks, Inc., 108 Wild Basin Road, Austin, Texas 78746, (512) 437-2678.

VOTING SECURITIES OUTSTANDING; QUORUM

The record date for the determination of stockholders entitled to notice of and vote at the annual meeting was the close of business on June 30, 2004. At the close of business on June 30, 2004, there were 24,889,851 shares of our common stock, \$.01 par value, issued and outstanding, each entitled to one vote on all matters properly brought before the annual meeting. There are no cumulative voting rights.

The presence in person or by proxy of the holders of a majority of the issued and outstanding shares of common stock entitled to vote as of the record date is necessary to constitute a quorum at the annual meeting. Abstentions and broker non-votes are treated as present at the meeting and are therefore counted to determine a quorum. If a quorum is not present, the stockholders entitled to vote who are present in person or represented by proxy at the annual meeting have the power to adjourn the meeting from time to time, without notice other than an adjournment at the meeting, until a quorum is present or represented. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted at the annual meeting as originally notified.

Directors are elected by a plurality of the votes of the shares present in person or represented by proxy at the annual meeting and entitled to vote on the election of directors. Abstentions may be specified on all proposals except the election of directors. Abstentions, with respect to any proposal other than the election of directors, will have the same effect as a vote against such proposal. Broker non-votes will have no effect on the outcome of the election of directors or the ratification of independent auditors as they will not be deemed to count for or against such proposals. With regard to the election of directors, votes may be cast in favor of or withheld from each nominee; votes that are withheld will be excluded entirely from the vote and will have no effect.

THE ANNUAL MEETING OF STOCKHOLDERS

This proxy statement is provided in connection with the annual meeting of stockholders of Forgent Networks, Inc., and any adjournment or postponement of the meeting. The accompanying proxy is solicited by the board of directors. This proxy statement and the accompanying form of proxy are first being sent or given to stockholders beginning on or about July 9, 2004.

Time and Place

The annual meeting of stockholders of Forgent will be held at 108 Wild Basin Road, Austin, Texas, on July 30, 2004 at 10:00 a.m. local time.

Purposes

At the annual meeting, you will be asked:

- To elect six directors to the board of directors to hold office until the next annual meeting of stockholders or until their respective successors are duly elected and qualified;
- To ratify the Audit Committee's appointment of Ernst & Young LLP, independent accountants, as our independent auditors for the year ending July 31, 2004; and
- To transact such other business as may properly come before the meeting or any adjournment thereof.

The board of directors knows of no other matters to be presented for action at the annual meeting. If any other matters properly come before the annual meeting, however, the persons named in the proxy will vote on such other matters in accordance with their best judgment.

Record Date; Stockholders Entitled to Vote

Holders of record of our shares of common stock at the close of business on June 30, 2004 will be entitled to vote on all matters at the annual meeting. Each share of common stock will be entitled to one vote. On June 30, 2004 a total of 24,889,851 shares of common stock were outstanding.

Quorum

A majority of the voting power of the outstanding shares of common stock entitled to vote, represented in person or by proxy, will be required to constitute a quorum for the annual meeting.

Vote Required

Directors are elected by a plurality of the votes of the shares present in person or represented by proxy at the annual meeting and entitled to vote on the election of directors. The ratification of the appointment of independent auditors must be approved by holders of a majority of the shares of common stock present in person or represented by proxy at the annual meeting and entitled to vote thereon.

Board Recommendation

The board of directors recommends that an affirmative vote be cast in favor of each of the proposals listed in the proxy card.

Voting Your Shares

The board of directors is soliciting proxies from our stockholders. By completing and returning the accompanying proxy or by completing the telephone or internet procedures, you will be authorizing Jay C. Peterson

and Richard N. Snyder to vote your shares. If your proxy is properly signed and dated, it will be voted as you direct. If you attend the annual meeting in person, you may vote your shares by completing a ballot at the meeting.

Changing Your Vote by Revoking Your Proxy

Your proxy may be revoked at any time before it is voted at the annual meeting by giving notice of revocation to us, in writing, by execution of a later dated proxy or by attending and voting at the annual meeting. Simply attending the annual meeting, however, will not revoke your proxy; you must vote at the annual meeting.

How Proxies are Counted

If you return a signed and dated proxy card but do not indicate how your shares are to be voted, those shares will be voted FOR each of the listed proposals. Votes cast by proxy or in person at the annual meeting will be tabulated by the election inspectors appointed for the annual meeting.

Shares voted as abstentions on any matter will be counted for purposes of determining the presence of a quorum at the annual meeting and treated as unvoted, although present and entitled to vote, for purposes of determining the approval of each matter as to which a stockholder has abstained. As a result, abstentions with respect to any proposal other than the election of directors, will have the same effect as a vote against such proposal. If a broker submits a proxy that indicates the broker does not have discretionary authority as to certain shares to vote on one or more matters, those shares will be counted for purposes of determining the presence of a quorum at the annual meeting, but will not be considered as present and entitled to vote with respect to such matters.

Cost of Solicitation

We will pay all expenses in connection with this solicitation. Our officers, directors and other regular employees, who will receive no extra compensation for their services, may solicit proxies by telephone, telegram or personal solicitation.

ELECTION OF DIRECTORS (ITEM 1)

Directors are elected annually and serve a one-year term. There are six nominees for election this year. Director nominees are recommended for selection to the board of directors by a majority of directors who meet the independence standards of the Nasdaq Stock Market. The full board of directors then selects and recommends candidates for nomination as directors for stockholders to consider and vote upon at the annual stockholders' meeting. The board of directors reviews and considers any candidates submitted by a stockholder or stockholder group in the same manner as all other candidates. Each nominee has consented to serve until the next annual meeting if elected, and until his or her successor is elected and qualified. You will find detailed information on each nominee below. If any director is unable to stand for re-election after distribution of this proxy statement, the board may reduce its size or designate a substitute. If the board designates a substitute, proxies voting on the original director candidate will be cast for the substituted candidate. Proxies cannot be voted for a greater number of persons than the number of nominees named on the enclosed form of proxy. A plurality of the votes cast in person or by proxy by the holders of common stock represented at the annual meeting is required to elect a director.

CODE OF BUSINESS CONDUCT AND ETHICS

We have adopted a Code of Business Conduct and Ethics that applies to all our directors, officers and employees, including our Chief Executive Officer, Chief Financial Officer and Principal Accounting Officer (“Officers”). These individuals are required to abide by the Code of Business Conduct and Ethics to insure that our business is conducted in a consistently legal and ethical manner. Our Code of Business Conduct and Ethics covers all areas of professional conduct, including employment policies, conflicts of interest, intellectual property and the protection of confidential information, as well as strict adherence to all laws and regulations applicable to the conduct of our business. Any waivers of the Code of Business Conduct and Ethics for directors or executive officers must be approved by the board of directors.

The full text of our Code of Business Conduct and Ethics is published on our web site, at www.forgent.com, under the “Company-Corporate Governance” captions. We intend to disclose future amendments to, or waivers from, provisions of our Code of Business Conduct and Ethics on our web site within four business days following the date of such amendment or waiver.

BOARD OF DIRECTORS AND COMMITTEES

The board of directors held nine regularly scheduled meetings and one special meeting during the fiscal year ended July 31, 2003. In addition, the board of directors acted two times by unanimous consent during the fiscal year ended July 31, 2003.

The board of directors uses working committees with functional responsibility in the more complex recurring areas where disinterested oversight is required. Working committees of the board of directors include the Audit Committee and the Compensation Committee, each of which operates under a charter that has been approved by the board of directors. Current copies of each of these charters are posted on our website, www.forgent.com. In addition, a copy of the Amended and Restated Audit Committee Charter, as in effect on the date of this proxy statement, is attached as *Appendix A*. The Executive Committee was disbanded in October 2002 and the Nominating Committee was disbanded in 2003. Our committees will continue to monitor and review legislative, regulatory and NASDAQ Stock Market actions in connection with corporate governance, and our committees will adopt policies and procedures in response to such actions.

The board of directors consists of a majority of independent directors as such term is defined under the rules of the NASDAQ Stock Market. The board of directors has determined that Ms. Cote and Messrs. Wells, Mazzucchelli, Agnich and Milovanic are independent. The board of directors has determined that all of the members of both of the board's standing committees are independent as defined under the rules of the NASDAQ Stock Market, including, in the case of all members of the Audit Committee, the independence requirements contemplated by Rules 10A-3 under the Securities Exchange Act of 1934.

Audit Committee

The Audit Committee is the communication link between the board of directors and our independent auditors. In addition to recommending the appointment of the independent auditors to the board of directors, the Audit Committee reviews the scope of the audit, the accounting policies and reporting practices, internal auditing and internal control, compliance with our policies regarding business conduct and other matters as deemed appropriate. The Audit Committee held four meetings in fiscal 2003 with the independent auditors and our management. The members of the Audit Committee during the fiscal year ended July 31, 2003 were Ms. Cote (Chairperson), Mr. Wells, and Mr. Milovanovic.

Policy On Audit Committee Pre-Approval Of Audit And Permissible Non-Audit Services Of Independent Auditor

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent auditor. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor.

Prior to engagement of the independent auditor for the next year's audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the Audit Committee for approval.

1. **Audit Services.** Audit services include audit work performed in the preparation of financial statements, as well as work that generally only the independent auditor can reasonably be expected to provide, including

comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards.

2. **Audit-Related.** Audit-related services are for assurance and related services that are traditionally performed by the independent auditor, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.

3. **Tax Services.** Tax services include all services performed by the independent auditor's tax personnel, except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning, and tax advice.

4. **Other Fees.** Other fees are those associated with services not captured in the other categories. We generally do not request such services from the independent auditor.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent auditor and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditor.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Compensation Committee

The Compensation Committee is responsible for approving the compensation arrangements of senior management and recommending approval by the board of directors of amendments to our benefit plans. At two regularly scheduled meetings during the fiscal year ended July 31, 2003 the Compensation Committee approved stock option awards pursuant to our stock option plans, and developed and approved a compensation plan for the chief executive officer of our company. The Compensation Committee did not act by unanimous consent during the fiscal year ended July 31, 2003. The Compensation Committee was composed of Mr. Mazzuchelli (Chairperson), Ms. Cote and Mr. Wells during the fiscal year ended July 31, 2003.

Meeting Attendance by Directors

No director attended fewer than 75% of the aggregate of (i) the total number of meetings of the board of directors and (ii) the total number of meetings held by all committees of the board of directors on which such director served. The board of directors requires that directors make a reasonable effort to attend the company's annual meeting of stockholders. One board member attended the 2003 annual meeting of stockholders.

Communication with the Board of Directors

A stockholder who wishes to communicate with the board of directors, or specific individual directors, may do so by directing a written request addressed to such directors or director in care of Jay C. Peterson, secretary, at the address appearing on the first page of this proxy statement. Communication(s) directed to members of the board of directors will be relayed to the intended board member(s).

Director Nominations

The company does not have an official nominating committee and does not have a nominating committee charter. The board of directors has determined that that it is not necessary to have a nominating committee and that it would have no direct benefit at this time, because of: the small size of our company; the size of the current board of directors; and the low turnover of the members of the board of directors. The company believes that obtaining input from all independent directors in connection with nominations to the board of directors enhances the nomination process. Board candidates are considered based upon various criteria, such as their business and

professional skills and experiences, concern for the long-term interests of the stockholders, and personal integrity and judgment.

Securityholders have the right under our bylaws to nominate director candidates. The board of directors will consider nominees properly recommended by securityholders in the same manner as all other candidates. In order to make a nomination, our bylaws generally require that advance notice of such nomination be provided to our company at least 60 days and not more than 90 days prior to the first anniversary of the preceding year's annual stockholders' meeting, together with additional information regarding the nominee and the stockholder making such nominations as called for by our bylaws.

Director nominees are recommended for selection to the board of directors by a majority of directors who meet the independence standards of the NASDAQ Stock Market. The full board of directors then selects and recommends candidates for nomination as directors for stockholders to consider and vote upon at the annual stockholders' meeting. The board of directors reviews and considers any candidates submitted by a stockholder or stockholder group in the same manner as all other candidates.

Director Compensation

During fiscal 2003, each non-employee director was paid a retainer of \$3,000 for each quarter. Additionally, each non-employee director was paid \$1,000 for the regularly scheduled and special meetings of the board of directors he or she attended and \$250 for participation in each telephonic meeting not considered an official board of directors' meeting. Total director fees earned in fiscal 2003 were \$71,400.

All non-employee directors participate in our 1992 Director Stock Option Plan. Non-employee directors receive, upon their initial election or appointment to the board of directors, stock options to purchase 25,000 shares of our common stock, having an exercise price equal to the market price of our common stock on the date of grant. Thereafter, each non-employee director will receive options to purchase 10,000 shares of our common stock on the anniversary date of his or her election or appointment to the board of directors. All of these options vest in equal amounts monthly over a three-year period but cease vesting at the time the director ceases to be a director.

The compensation of our employee directors is discussed at "Executive Compensation" below.

Report of the Audit Committee

The Audit Committee is composed of three outside directors and operates under a charter adopted by the board of directors according to the rules and regulations of the SEC and the Nasdaq Stock Market. The Audit Committee members during the fiscal year ended July 31, 2003 were Ms. Cote (Chairperson), Mr. Wells, and Mr. Milovanovic. The board of directors believes that all of these directors are independent as defined under the rules of the Nasdaq Stock Market.

Ms. Kathleen A. Cote is the Chairperson of our Audit Committee. The board of directors has determined that Ms. Cote has the qualifications and experience necessary to serve as an "audit committee financial expert," as defined by the SEC.

The following is the report of the Audit Committee with respect to our audited financial statements for the fiscal year ended July 31, 2003 which include our consolidated balance sheets as of July 31, 2003 and 2002, and the related consolidated statements of operations, stockholders' equity (deficit) and cash flows for each of the three years in the period ended July 31, 2003 and the notes thereto. The information contained in this report shall not be deemed to be "soliciting material" or to be "filed" with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate it by reference in such filing.

Review With Management

The Audit Committee has reviewed and discussed our audited financial statements with management.

Review and Discussions With Independent Accountants

The Audit Committee did not hold any meetings in conjunction with the full board of directors during the fiscal year ended July 31, 2003. The Audit Committee has discussed with Ernst & Young LLP, our independent accountants, the matters required to be discussed by SAS 61 (Codification of Statements on Accounting Standards) that includes, among other items, matters related to the conduct of the audit of our financial statements.

The Audit Committee has received the letter from Ernst & Young LLP required by Independent Standards Board Standard No. 1, that relates to the accountant's independence from our company and its related entities, and has discussed with Ernst & Young LLP their independence from our company.

Based on the review and discussions referred to above, the Audit Committee recommended to the board of directors that our audited financial statements be included in our annual report on Form 10-K for the fiscal year ended July 31, 2003.

Submitted by the Audit Committee of the Board of Directors

Kathleen A. Cote
James H. Wells
Rajko Milovanovic

Fees***Audit Fees***

The company paid fees in the amount of \$339,500 for professional audit services rendered by Ernst & Young LLP for the audit of the company's annual financial statements and the reviews of the financial statements included in the company's 10-Qs, for the fiscal year ended July 31, 2003. The services included work generally only the independent auditor can reasonably be expected to provide, such as those in connection with statutory and regulatory filings.

Audit – Related Fees

The company paid fees in the amount of \$25,500 for professional audit services rendered by Ernst & Young LLP related principally to the audits of employee benefit plans, for the fiscal year ended July 31, 2003.

Tax Fees

The company paid \$69,350 for professional tax services rendered by Ernst & Young LLP during the fiscal year ended July 31, 2003.

Other Fees

All fees paid to Ernst & Young LLP by the company are reported under the fee categories listed above. There were no other fees paid during the fiscal year ended July 31, 2003.

The Audit Committee has determined that the provision of services covered by the two preceding paragraphs is compatible with maintaining the independent auditors' independence from the company.

Report From the Compensation Committee Regarding Executive Compensation

As members of the Compensation Committee, it is our duty to administer the executive compensation program for our company. The Compensation Committee is responsible for establishing appropriate compensation goals for the executive officers of our company and evaluating the performance of our executive officers in meeting these goals. The elements of the executive compensation program described below are implemented and periodically reviewed and adjusted by the Compensation Committee.

The goals of the Compensation Committee in establishing our executive compensation program are as follows:

- To fairly compensate our executive officers for their contributions to our company's short-term and long-term performance. The elements of our executive compensation program are:
 - annual base salaries;
 - quarterly performance bonuses; and
 - equity incentives.
- To allow our company to attract, motivate and retain the management personnel necessary to our company's success by providing an executive compensation program comparable to that offered by companies with which we compete for such management personnel.
- To provide an executive compensation program with incentives linked to the financial performance of our company, and thereby enhance stockholder value. Under this program, incentive compensation for executive officers is linked to the financial performance of our company as measured by earnings per share and revenue.

Base Salaries. Historically, the annual base salaries of our executive officers have been determined based on individual performance, experience, duties, levels of responsibility and a comparison with salary ranges of a representative group of public companies within the technology sector of a similar size and similar annual range of revenues, derived from a review of recent publicly filed proxy statements by ten public companies. A comparison is also made with published surveys of executive compensation paid in similar industries with comparable revenues. Historically, we have used the Radford Executive Compensation Survey, published by Radford Associates, a provider of national compensation surveys. The comparison groups used in these surveys are not the same group as used by us as our peer group for comparative total returns purposes. The comparison groups used in these surveys are chosen on a narrower basis using revenue size as well as industry focus, while the peer group is solely industry focused. The Compensation Committee believes that a narrower focus, using revenue size as well as industry focus, provides more appropriate comparison information on which to base salary decisions than one that does not take into account the size of the comparison group members. The financial performance of comparative group members relative to our financial performance is only one of the factors used by the Compensation Committee in assessing compensation. The Compensation Committee does not use empirical formulas based on financial performance or other factors in setting compensation for the company's executive officers, but instead considers comparative companies' income, market capitalization, total assets and annualized total shareholder returns in conjunction with individual performance and experience of the company's officers in determining the appropriate level of compensation. The compensation of our senior executive officers falls approximately within the range of the 50th percentile of the two types of comparison information used to determine executive compensation.

The base compensation of our executive officers for the fiscal year ended July 31, 2003 was set at the same levels as for the fiscal year ended July 31, 2002 as a result of a salary freeze implemented by the board of directors designed to address certain expense issues within the company.

Quarterly Bonus. The quarterly bonuses available to our executive officers are based upon the achievement of certain earnings per share, revenue and operating expense goals, development milestones and other personal objectives for our company set by the Compensation Committee prior to the beginning of such measurement period.

No quarterly bonus was paid to executive officers for the third and fourth quarters of fiscal year 2003. All four of our executive officers received bonuses for the first quarter of fiscal year 2003, totaling \$119,888, which was 82% of the target bonus of \$145,781 for the executive officer group. One executive officer, our chief executive officer, received a bonus of \$16,125 for the second quarter of fiscal year 2003, which was 11% of the target bonus for the executive officer group.

The potential bonus that may be earned by each of our executive officers, other than our chief executive officer, in the aggregate is 50% of their base salary. Our chief executive officer may earn a bonus of up to 100% of his base

salary. The potential bonus is allocated among the performance objectives which are based upon company-wide objectives, departmental objectives and individual performance objectives, each of which is weighted based upon relative priority. The percentage which is attained of each objective by the applicable executive officer determines the bonus amount, but generally no bonuses are awarded unless the company-wide objectives are attained. During fiscal 2003, assuming all targets were achieved by our executive officers, the officers could have received \$583,125, however, \$136,013, or 23%, of the target bonuses was actually paid out.

Equity Incentives. Equity incentives, including grants of stock options and restricted stock, are determined based on the Compensation Committee's assessment of the ability of such officers to positively impact our company's future performance and enhance stockholder value as determined by their individual performances, as opposed to our overall corporate performance. The Compensation Committee assesses the nature and scope of the officer's responsibilities; the officer's contribution to the company's financial results; and the officer's effectiveness in leading our initiatives to increase stockholder value. The Compensation Committee also considers the compensation levels of the top four highest paid executives with a comparison group of companies provided by Watson Wyatt & Company, a global consulting firm focused on human capital and financial management. Restricted stock awards are granted periodically by the Compensation Committee, principally to the company's executive officers, and generally vest over one to two year period.

In fiscal 2003, options covering a total of 681,366 shares of common stock at a weighted average exercise price of \$2.28 were granted to executives. See "Executive Compensation — Stock Option Grants During Fiscal 2003."

Equity and cash incentives are not limited to executive officers. Grants of stock options are made to all employees upon joining our company in amounts determined by the Compensation Committee and are also made to selected employees as performance related awards and as awards for certain job promotions. The amounts of such grants are determined based on the individual employee's position with our company and his or her potential ability to beneficially impact the performance of our company. Stock option grants and other equity incentives are not awarded annually, but rather as warranted by individual performance and experience. Option awards generally vest over a 48-month period. The amount and vesting of stock options generally are not contingent on achievement of any performance targets. By giving all employees a stake in the financial performance of our company, the Compensation Committee's goal is to provide incentives to all employees of our company to enhance the financial performance of our company and, thus, stockholder value.

Fiscal 2003 Compensation of the CEO. Historically, the chief executive officer's salary has been primarily based on a comparison with the compensation levels of chief executive officers from a comparison group of companies provided by Watson Wyatt & Company. Additionally, the Compensation Committee assessed the nature and scope of the chief executive officer's responsibilities and the chief executive officer's contribution to the company's financial results. Specifically, the Compensation Committee considered favorably the increased revenues and reduced net loss experienced by the company in fiscal year 2003, as well as the effectiveness of Mr. Snyder's overall management in the face of the substantial efforts required to re-align the company's business activities. This realignment consisted of disposing of underperforming business activities associated with the company's products and videoconferencing services divisions, establishing the company's new enterprise software and licensing business activities, and reducing costs, while retaining key management employees needed for this realignment. Mr. Snyder's responsibilities also included the day-to-day management of the company, including the management and direction provided to members of the company's senior management team, development, articulation and supervision of the implementation of the company's business realignment and implementation of the company's long-term business strategy and product development plans, selection and management of the disposition of underperforming business units and the launch of the company's two new businesses, enterprise software and technology licensing. In the view of the Compensation Committee, Mr. Snyder, in his fourth year as chief executive officer, continued in fiscal 2003 to demonstrate highly effective leadership and vision in the face of the current business environment and consistently delivered financial and operating performance that met or exceeded business objectives. During fiscal 2003, Mr. Snyder received \$300,000 in base salary, a salary that falls approximately within the range of the 50th and 75th percentile of the two types of comparison information used by the Compensation Committee to determine executive compensation, but which the Compensation Committee believes is appropriate in light of Mr. Snyder's expertise in the technology industry.

The base compensation of Mr. Snyder for the fiscal year ended July 31, 2003 was set at the same level as for the fiscal year ended July 31, 2002 consistent with that of the rest of the executive officers, as a result of a salary freeze implemented by the board of directors designed to address certain expense issues within the company.

Mr. Snyder's potential annual bonus is 100% of his base salary. Mr. Snyder received bonuses in the first and second quarter(s) of fiscal year 2003 in an aggregate amount of \$80,625. Mr. Snyder's bonuses were based on a set of quarterly objectives that had to be met in order for any bonus to be awarded. The quarterly objectives were determined by the Compensation Committee and are primarily based on meeting or exceeding certain levels of quarterly earnings per share, revenue performance, cash balances, and other objectives. These objectives were met in the first and second fiscal quarters of 2003 resulting in the bonus(es) for those periods. These objectives were not achieved in the third and fourth fiscal quarters of 2003, thus no bonus was awarded for those periods. Mr. Snyder also received 186,335 stock options, as set forth in the "Executive Compensation — Summary Compensation Table" of this proxy statement, all of which vest seven years after the date they were granted. Mr. Snyder was awarded these stock options by the Compensation Committee based on the nature and scope of his responsibilities; contribution to the company's financial results; and his effectiveness in leading and shaping our overall strategy and its initiative to increase stockholder value.

Omnibus Budget Reconciliation Act of 1993. The Omnibus Budget Reconciliation Act of 1993 added Section 162(m) to the Internal Revenue Code. With certain exceptions, beginning with the taxable year commencing January 1, 1994, Section 162(m) will prevent publicly held corporations, including our company, from taking a tax deduction for compensation in excess of one million dollars paid to our chief executive officer and the other persons named in the Summary Compensation Table in this proxy statement. Section 162(m) will not apply to limit the deductibility of performance-based compensation exceeding one million dollars if:

- it is paid solely upon attainment of one or more performance goals;
- it is paid pursuant to a performance-based compensation plan adopted by the Compensation Committee; and
- the terms of the plan are approved by the stockholders before payment of the compensation.

The Compensation Committee has reviewed our compensation plans with regard to the deduction limitation contained in Section 162(m). The Compensation Committee believes that option grants under our equity plans meet the requirements for deductible compensation. The Compensation Committee has decided for the present not to alter our other compensation plans to meet the deductibility requirements of the regulations promulgated under the Internal Revenue Code. The Compensation Committee will continue to review the issue and its determination under the regulations under Section 162(m) and monitor whether our compensation plans should be amended in the future to meet the deductibility requirements. The Compensation Committee does not anticipate that Section 162(m) will limit the deductibility of any compensation paid in fiscal year 2003. None of our executive officers were affected by Section 162(m) in fiscal year 2003.

However, our company can repurchase shares issued upon exercise of those options, at the exercise price, to the extent of the number of shares that have not vested if the optionee's employment terminates before all of the optionee's option shares become vested. The amounts under the headings entitled "Exercisable" reflect vested options as of July 31, 2003 and the amounts under the headings entitled "Unexercisable" reflect option shares that have not vested as of July 31, 2003.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee is or has been an officer or employee of our company or any of our subsidiaries or had any relationship requiring disclosure pursuant to Item 404 of SEC Regulation S-K (Certain Relationships and Related Transactions).

Certain Transactions***Officer and Director Stock Loan Program***

As of July 31, 2003 under our Officer and Director Stock Loan Program, the aggregate principal amount of stock loans outstanding was \$63,022, consisting entirely of a loan outstanding to Richard N. Snyder. This amount also represented the largest amount of indebtedness. As of June 15, 2004 the amount outstanding under this loan was \$66,194.

No new loans are allowed to be made under this program. This program had previously allowed our directors and officers to acquire shares of our common stock with the proceeds of the loans. The interest rate charged on this loan is fixed at 6.09%. The term of the loan is nine years.

Employment Contracts; Termination of Employment and Change in Control Agreements

We have not entered into any employment agreements with members of our senior management. However, we have entered into change-in-control agreements, also called parachute agreements, with members of our senior management, which provide that if the officer is terminated within a specified amount of time after a "change in control" of our company (as that term is defined in the parachute agreements), in any of the following ways:

- by our company other than for cause, the officer's death, retirement or disability, or
- by the officer for "good reason,"

we will pay to the officer an amount equal to one times his or her current year's salary and will accelerate the vesting schedule of his or her unvested stock options.

COMPARATIVE TOTAL RETURNS**Performance Graph**

The following Performance Graph shows the changes over the past five year period in the value of \$100 invested in:

- our common stock;
- the CRSP Total Return Index for NASDAQ Stock Market (U.S. Companies), also called the NASDAQ Composite Index;
- the common stock of the historical peer group (as defined below) of companies whose returns are weighted according to their respective market capitalization for periods up to and including 2001; and
- a new peer group consisting of the NASDAQ CRSP Total Return Index for Computer & Data Processing Services companies.

The values with each investment as of the beginning of each year are based on share price appreciation and the reinvestment with dividends on the respective ex-dividend dates. The historical peer group for the periods ended July 31, 1998, 1999, 2000 and 2001 consists solely of PictureTel Corporation, whose business, taken as a whole, resembled our activities. In October 2001, PictureTel was acquired by Polycom and thus we have determined to use a new peer group, consisting of the NASDAQ CRSP Total Return Index for Computer & Data Processing Services companies.

This graph above assumes \$100 invested on July 31, 1998 in our common stock, the NASDAQ Composite Index, the historical peer group, and the new peer group, and was plotted using the following data:

	July 31, 1998	July 31, 1999	July 31, 2000	July 31, 2001	July 31, 2002	July 31, 2003

RATIFICATION OF APPOINTMENT OF AUDITORS (ITEM 2)

The Audit Committee has appointed Ernst & Young LLP, independent accountants, to audit our consolidated financial statements for the year ending July 31, 2004. We are advised that no member of Ernst & Young LLP has any direct financial interest or material indirect financial interest in our company or any of its subsidiaries or, during the past three years, has had any connection with our company or any of its subsidiaries in the capacity of promoter, underwriter, voting trustee, director, officer or employee.

A representative of Ernst & Young LLP is expected to be present at the annual meeting of our stockholders, will have the opportunity to make a statement if such representative desires to do so, and will be available to respond to appropriate questions.

Stockholder ratification is not required for the selection of Ernst & Young LLP, since the Audit Committee has the responsibility for the selection of our company's independent auditors. Nonetheless, the selection is being submitted for ratification at the annual meeting solely with a view toward soliciting the stockholders' opinion thereon, which opinion will be taken into consideration in future deliberations.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION BY THE STOCKHOLDERS OF THIS APPOINTMENT.

OTHER MATTERS (ITEM 3)

As of this date, the board of directors does not know of any business to be brought before the annual meeting other than as specified above. However, if any matters properly come before the annual meeting, it is the intention of the persons named in the enclosed proxy to vote such proxy in accordance with their judgment on such matters.

In the case of parties holding presently exercisable options, the percentage ownership is calculated on the assumption that the shares presently held or purchasable within the next 60 days underlying such options are outstanding.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers, directors, and persons who beneficially own more than 10% of the our common stock ("10% Stockholders"), to file reports of ownership and changes in ownership with the Securities and Exchange Commission and NASDAQ. Such officers, directors and 10% Stockholders are also required by SEC rules to furnish us with copies of all Section 16(a) forms that they file. Based solely upon information provided to us by individual officers, directors and 10% Stockholders, we believe that all of these filing requirements were satisfied by our officers, directors, and 10% Stockholders, except as described below:

The Audit Committee shall also prepare the report required by the rules of the Securities and Exchange Commission (the "SEC") to be included in the Company's annual proxy statement.

Composition

Independence

The Audit Committee shall consist of three or more members of the Board of Directors (the "Board"), each of whom is determined by the Board to be "independent" under Section 10A(m)(3) of the Securities Exchange Act of 1934 (the "Exchange Act"), the rules of the Nasdaq Stock Market ("Nasdaq") and the rules and regulations of the SEC.

All members of the Audit Committee must be able to read and understand financial statements at the time of their appointment. At least one member of the Audit Committee must have past employment experience in finance or accounting, requisite professional certification in accounting or any other comparable experience or background that results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

The members of the Audit Committee shall be appointed by the Board and shall serve until such member's successor is duly elected and qualified or until such member's earlier resignation or removal. The members of the Audit Committee may be removed, with or without cause, by a majority vote of the Board.

Chairperson

Unless a Chairperson is elected by the full Board, the members of the Audit Committee shall designate a Chairperson by the majority vote of the full Audit Committee membership. The Chairperson will chair all regular sessions of the Audit Committee and set the agenda for Audit Committee meetings.

Delegation to Subcommittees

In fulfilling its responsibilities, the Audit Committee shall be entitled to delegate any or all of its responsibilities to a subcommittee of the Audit Committee.

Meetings

The Audit Committee shall meet as often as it determines but no less than once per quarter, either in person or telephonically, and at such times and places as the Audit Committee shall determine. The Audit Committee should meet regularly with each of management, the principal internal auditor of the Company and the outside auditing firm in separate executive sessions to discuss any matters that the Audit Committee or either of these groups believe should be discussed privately. In addition, the Audit Committee or its chairperson should meet with the independent auditors and management quarterly to review the Company's financial statements.

Relationship with Independent Accountants

The Audit Committee shall be directly responsible, in its capacity as a committee of the Board, for the appointment, compensation, retention and oversight of the outside auditing firm. In this regard, the Audit Committee shall have the sole authority to (A) appoint and retain, (B) determine the funding for, and (C) when appropriate, terminate, the outside auditing firm, which shall report directly to the Audit Committee. The Audit Committee will be responsible for resolving any disputes between the independent accountants and the Company's management.

Duties and Responsibilities

To fulfill its responsibilities and duties the Audit Committee shall:

A. Financial Reporting Processes and Documents/Reports Review

1. Review and discuss with the outside auditing firm: (A) the scope of the audit, the results of the annual audit examination by the auditor and any accompanying management letters, (B) any audit problems or difficulties the auditor encountered in the course of their audit work, including any restrictions on the scope of the outside auditing firm's activities or on access to requested information, and any significant disagreements with management and management's response to such audit problems or difficulties, and (C) any reports of the outside auditing firm with respect to interim periods.

2. Review and discuss with management and the outside auditing firm the annual audited and quarterly unaudited financial statements of the Company, including (A) analyses of management and/or the outside auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements, (B) the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations," including the development, selection and reporting of accounting policies that may be regarded as critical, and (C) major issues regarding the Company's accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles and financial statement presentations.

3. Recommend to the Board whether the financial statements should be included in the Annual Report on Form 10-K.

4. Periodically review and discuss the adequacy of the Company's internal controls, any significant deficiencies in internal controls (and any special audit steps adopted in light of material control deficiencies), and significant changes in such controls; and review and discuss with the principal internal auditor of the Company and such others as the Audit Committee deems appropriate, the scope and results of the internal audit program.

5. Periodically review and discuss the adequacy and effectiveness of the Company's disclosure controls and procedures and management reports thereon.

6. Review disclosures made to the Audit Committee by the Company's Chief Executive Officer and Chief Financial Officer during their certification process for the Form 10-K and 10-Q about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.

7. Review and timely discuss with management and the outside auditors the effect of regulatory and accounting initiatives, as well as any material financial or non-financial arrangements of the Company that do not appear on the financial statements of the Company.

8. Review and discuss with the independent auditors their report regarding (A) all critical accounting policies and practices to be used, (B) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management officials of the Company, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditors, and (C) other

material written communications between the outside auditing firm and Company management, including a schedule of unadjusted differences.

9. Review with financial management and the independent accountants the Company's filings with the SEC prior to their filing or prior to the release of earnings reports. The Chair of the Audit Committee may represent the entire Audit Committee for purposes of this review.

10. Prepare all reports required to be included in the Company's proxy statement, pursuant to and in accordance with applicable rules and regulations of the SEC.

11. Discuss and review earnings press releases, including the type and presentation of information to be included in earnings press releases, in particular the use of "pro forma" or "adjusted" non-GAAP information.

12. Discuss and review financial information and earnings guidance provided to analysts and rating agencies.

13. Discuss policies with respect to risk assessment and risk management.

B. Independent Accountants

1. Approve in advance all audit, review or attest engagements required under the securities laws to be provided by the outside auditing firm, including fees and terms.

2. Establish policies and procedures for the engagement of the outside auditing firm to provide permissible non-audit services, which shall require preapproval by the Audit Committee (other than with respect to *de minimis* exceptions described in Section 10A(i)(1)(B) of the Exchange Act that are approved by the Audit Committee prior to the completion of the audit). Ensure that approval of non-audit services are disclosed to investors in periodic reports required by Section 13(a) of the Exchange Act.

3. The authority to grant preapproval of audit and non-audit services may be delegated to one or more designated members of the audit committee who are independent directors. Any such delegation shall be presented to the full Audit Committee at its next scheduled meeting.

4. Review, at least annually, a report by the outside auditor describing (A) the firm's internal quality-control procedures, (B) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the last five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues, and (C) all relationships between the independent auditor and the Company.

5. In connection with the report review described in the previous paragraph, review and evaluate the lead partner of the outside auditor and present to the Board the Audit Committee's conclusions with respect to the qualifications and performance of the outside auditing firm.

6. Consider, at least annually, the independence of the outside auditing firm, including whether the outside auditing firm's performance of permissible non-audit services is compatible with the auditor's independence; obtain and review the report by the outside auditing firm describing any relationships between the outside auditing firm and the Company referred to in paragraph four above or any relationships between the outside auditing firm and the Company or any other relationships that may adversely affect the independence of the auditor; discuss with the outside auditing firm any disclosed relationship or services that may impact the objectivity and independence of the auditor; and present to the Board the Audit Committee's conclusions with respect to the independence of the outside auditing firm.

7. Ensure rotation of the audit partners as required by law and consider further whether, to assure continuing auditor independence, there should be a regular rotation of the outside audit firm itself.

8. Establish policies for the hiring of employees and former employees of the outside auditing firm.

C. Outside Advisors

The Audit Committee shall have the authority to retain such outside counsel, accountants, experts and other advisors as it determines appropriate to assist the Audit Committee in the performance of its duties. The Audit Committee shall have sole authority to approve related fees and retention terms.

D. Ethical and Legal Compliance

1. Establish, review and update periodically a code of business ethics and conduct that applies to the Company's employees and directors, and ensure that management has established a system to enforce the code of ethics. The code must be publicly available and waivers for executive officers and directors granted and disclosed in accordance with applicable law.

2. Review and approve, if the duty is not delegated to a comparable body of the Board, all related party transactions in accordance with the regulations of Nasdaq.

3. Review, with the Company's counsel, any legal matter that could have a significant impact on the Company's financial statements.

4. Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, including procedures for confidential, anonymous submission of concerns by employees regarding accounting and auditing matters.

5. Perform any other activities consistent with this Charter, the Company's bylaws and governing law, as the Audit Committee or the Board deems necessary or appropriate.

Reports and Performance Review

The Audit Committee shall report its actions and any recommendations to the Board after each Audit Committee meeting and shall conduct and present to the Board an annual performance evaluation of the Audit Committee. The Audit Committee shall review at least annually the adequacy of this Charter and recommend any proposed changes to the Board for approval.

Limitation of Audit Committee's Role

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of management and the outside auditor.

Disclosure of Charter

This Charter will be made available in accordance with applicable rules and regulations.
