Asure Software Announces the Release of Evolution Advanced HR 2.0 at HR Tech in Las Vegas

AUSTIN, Texas, Oct. 10, 2017 (GLOBE NEWSWIRE) -- Asure Software, Inc. (NASDAQ:ASUR), a leading provider of Human Capital Management (HCM) and workplace management software, announced the release of Evolution Advanced HR 2.0. Asure Software's product, Evolution HCM was developed by service bureau professionals specifically for service bureau organizations, provides fully integrated Payroll, HR, and Tax Management software with unparalleled accuracy, productivity, and financial control.

"As the HCM market continues to expand, the need for an end-to-end, hire to retire solution has become an essential offering allowing Service Bureaus and their customers to grow, prosper, attract and retain talent while reducing administrative costs," stated Web Hill, Vice President Operations and General Manager of Evolution HCM. "Evolution Advanced HR provides a scalable, customizable and intuitive HR solution for the service bureau market."

Asure Software's latest iteration of Evolution Advanced HR makes managing your workforce just that much easier. This full-featured HRIS solution developed in partnership with HRNext, offers a combination of employee communication and traditional workforce management enabling manager and employees to access and update their information with ease. With integrated applicant tracking, new hire onboarding, benefits administration and online benefit enrollment, Evolution Advanced HR combined with Evolution core payroll and tax management is a full solution for any company's human capital management needs.

To view a live demonstration of Evolutions Advanced HR and Asure Software's other solutions for human capital management and workspace management software, visit Asure Software at HR Tech booth #2954.
