Simply attending the annual meeting, however, will not revoke your proxy; you must vote at the annual meeting. PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS FOR FISCAL 2007

July 30, 2008

The enclosed form of proxy is solicited by the board of directors to be used at the annual meeting of stockholders for fiscal 2007 to be held at 108 Wild Basin Road, Austin, Texas, on July 30, 2008 at 10:00 local time.

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy and any additional information furnished to you. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services.

Some banks, brokers and other record holders have begun the practice of "householding" proxy statements and annual reports. "Householding" is the term used to describe the practice of delivering a single set of proxy statements and annual reports to any household at which two or more stockholders reside if a company reasonably believes the stockholders are members of the same family. This procedure would reduce the volume of duplicate information stockholders receive and would also reduce a company's printing and mailing costs. We will promptly deliver an additional copy of either document to any stockholder who writes or calls us at the following address or phone number: Investor Relations, Forgent Networks, Inc., 108 Wild Basin Road, Austin, Texas 78746, (512) 437-2678.

VOTING SECURITIES OUTSTANDING; QUORUM

The record date for the determination of stockholders entitled to notice of and vote at the annual meeting was the close of business on June 27, 2008. At the close of business on June 27, 2008, there were 30,696,727 shares of our common stock, \$.01 par value, issued and outstanding, each entitled to one vote on all matters properly brought before the annual meeting. There are no cumulative voting rights.

The presence in person or by proxy of the holders of a majority of the issued and outstanding shares of common stock entitled to vote as of the record date is necessary to constitute a quorum at the annual meeting. Abstentions and broker non-votes are treated as present at the meeting and are therefore counted to determine a quorum. If a quorum is not present, the stockholders entitled to vote who are present in person or represented by proxy at the annual meeting have the power to adjourn the meeting from time to time, without notice other than an adjournment at the meeting, until a quorum is present or represented. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted at the annual meeting as originally notified.

Directors are elected by a plurality of the votes of the shares present in person or represented by proxy at the annual meeting and entitled to vote on the election of directors. Ratification of the Audit Committee's appointment of Ernst & Young LLP as our independent auditors will be approved by a majority of the votes of the shares present in person or represented by proxy at the annual meeting and entitled to vote on such matter. Abstentions may be specified on all proposals except the election of directors. Abstentions, with respect to any proposal other than the election of directors, will have the same effect as a vote against such proposal. Broker non-votes will have no effect on the outcome of the election of directors or the ratification of independent auditors, as they will not be deemed to count for or against such proposals. With regard to the election of directors, votes may be cast in favor of or withheld from each nominee; votes that are withheld will be excluded entirely from the vote and will have no effect.

THE ANNUAL MEETING OF STOCKHOLDERS

This proxy statement is provided in connection with the annual meeting of stockholders of Forgent Networks, Inc. d/b/a Asure Software, and any adjournment or postponement of the meeting. The accompanying proxy is solicited by the board of directors. This proxy statement and the accompanying form of proxy are first being sent or given to stockholders beginning on or about July 11, 2008.

Time and Place

The annual meeting of stockholders of Forgent will be held at 108 Wild Basin Road, Austin, Texas, on July 30, 2008 at 10:00 a.m. local time.

Purposes

At the annual meeting, you will be asked:

1. To elect six directors to the board of directors to hold office until the next annual meeting of stockholders or until their respective successors are duly elected and qualified;
2. To ratify the Audit Committee's appointment of Ernst & Young LLP, independent accountants, as our independent auditors for the year ending July 31, 2008; and
3. To transact such other business as may properly come before the meeting or any adjournment thereof.

The board of directors knows of no other matters to be presented for action at the annual meeting. If any other matters properly come before the annual meeting, however, the persons named in the proxy will vote on such other matters in accordance with their best judgment.

Record Date; Stockholders Entitled to Vote

Holders of record of our shares of common stock at the close of business on June 27, 2008 will be entitled to vote on all matters at the annual meeting. Each share of common stock will be entitled to one vote. On June 27, 2008, a total of 30,696,727 shares of common stock were outstanding.

Quorum

A majority of the voting power of the outstanding shares of common stock entitled to vote, represented in person or by proxy, will be required to constitute a quorum for the annual meeting.

Vote Required

Directors are elected by a plurality of the votes of the shares present in person or represented by proxy at the annual meeting and entitled to vote on the election of directors. The ratification of the appointment of independent auditors will be approved by a majority of the votes of the shares of common stock present in person or represented by proxy at the annual meeting and entitled to vote thereon.

Board Recommendation

The board of directors recommends that an affirmative vote be cast in favor of each of the proposals listed in the proxy card.

Voting Your Shares

The board of directors is soliciting proxies from our stockholders. By completing and returning the accompanying proxy or by completing the telephone or internet procedures, you will be authorizing Jay C. Peterson and Richard N. Snyder to vote your shares. If your proxy is properly signed and dated, it will be voted as you direct. If you attend the annual meeting in person, you may vote your shares by completing a ballot at the meeting.

Changing Your Vote by Revoking Your Proxy

Your proxy may be revoked at any time before it is voted at the annual meeting by giving notice of revocation to us, in writing, by execution of a later dated proxy or by attending and voting by ballot at the annual meeting. Simply attending the annual meeting, however, will not revoke your proxy; you must vote at the annual meeting.

How Proxies are Counted

If you return a signed and dated proxy card but do not indicate how your shares are to be voted, those shares will be voted FOR each of the listed proposals. Votes cast by proxy or in person at the annual meeting will be tabulated by the election inspectors appointed for the annual meeting.

Shares voted as abstentions on any matter will be counted for purposes of determining the presence of a quorum at the annual meeting and treated as unvoted, although present and entitled to vote, for purposes of determining the approval of each matter as to which a stockholder has abstained. As a result, abstentions with respect to any proposal other than the election of directors, will have the same effect as a vote against such proposal. If a broker submits a proxy that indicates the broker does not have discretionary authority as to certain shares to vote on one or more matters, those shares will be counted for purposes of determining the presence of a quorum at the annual meeting, but will not be considered as present and entitled to vote with respect to such matters.

Cost of Solicitation

We will pay all expenses in connection with this solicitation. Our officers, directors and other regular employees, who will receive no extra compensation for their services, may solicit proxies by telephone, telegram or personal solicitation.

**ELECTION OF DIRECTORS
(ITEM 1)**

Directors are elected annually and serve a one-year term. There are six nominees for election this year. Director nominees are recommended for selection to the board of directors by a majority of directors who meet the independence standards of the NASDAQ Stock Market. The full board of directors then selects and recommends candidates for nomination as directors for stockholders to consider and vote upon at the annual stockholders' meeting. The board of directors reviews and considers any candidates submitted by a stockholder or stockholder group in the same manner as all other candidates. Each nominee has consented to serve until the next annual meeting if elected, and until his or her successor is elected and qualified. You will find detailed information on each nominee below. If any director is unable to stand for re-election after distribution of this proxy statement, the board may reduce its size or designate a substitute. If the board designates a substitute, proxies voting on the original director candidate will be cast for the substituted candidate. Proxies cannot be voted for a greater number of persons than the number of nominees named on the enclosed form of proxy. A plurality of the votes cast in person or by proxy by the holders of common stock represented at the annual meeting is required to elect a director.

BOARD OF DIRECTORS AND COMMITTEES

The board of directors held two regularly scheduled meetings and twelve special meetings during the fiscal year ended July 31, 2007.

The board of directors uses working committees with functional responsibility in the more complex recurring areas where disinterested oversight is required. Working committees of the board of directors include the Audit Committee and the Compensation Committee, each of which operates under a charter that has been approved by the board of directors. Current copies of each of these charters are posted on our website, www.asuresoftware.com. Our committees will continue to monitor and review legislative, regulatory and NASDAQ Stock Market actions in connection with corporate governance and our committees will adopt policies and procedures in response to such actions.

The board of directors consists of a majority of independent directors as such term is defined under the rules of the NASDAQ Stock Market. The board of directors has determined that Ms. Cote and Messrs. Wells, Mazzucchelli, Agnich and Miles are independent. The board of directors has determined that all of the members of both of the board's working committees are independent as defined under the rules of the NASDAQ Stock Market, including, in the case of all members of the Audit Committee, the independence requirements contemplated by Rules 10A-3 under the Securities Exchange Act of 1934.

Audit Committee

The Audit Committee is the communication link between the board of directors and our independent auditors. In addition to recommending the appointment of the independent auditors to the board of directors, the Audit Committee reviews the scope of the audit, the accounting policies and reporting practices, internal auditing and internal control, compliance with our policies regarding business conduct and other matters as deemed appropriate. The Audit Committee held six meetings in fiscal 2007 with the independent auditors and/or our management. The members of the Audit Committee during the fiscal year ended July 31, 2007 were Ms. Cote (Chairperson), Mr. Wells, and Mr. Miles.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor

Consistent with Securities and Exchange Commission ("SEC") policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent auditor. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor.

Prior to engagement of the independent auditor for the next year's audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the Audit Committee for approval.

1. **Audit Services.** Audit services include audit work performed in the preparation of financial statements, as well as work that generally only the independent auditor can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards.
2. **Audit-Related.** Audit-related services are for assurance and related services that are traditionally performed by the independent auditor, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.
3. **Tax Services.** Tax services include all services performed by the independent auditor's tax personnel, except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning, and tax advice.
4. **Other Fees.** Other fees are those associated with services not captured in the other categories. We generally do not request such services from the independent auditor.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent auditor and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditor.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Compensation Committee

The Compensation Committee is responsible for approving the compensation arrangements of senior management and recommending approval by the board of directors of amendments to our benefit plans. The Compensation Committee held three meetings during the fiscal year ended July 31, 2007. The Compensation Committee was composed of Mr. Mazzucchelli (Chairperson) and Mr. Wells for the fiscal year ended July 31, 2007.

Meeting Attendance by Directors

No director attended fewer than 75% of the aggregate of (i) the total number of meetings of the board of directors and (ii) the total number of meetings held by all committees of the board of directors on which such director served. The board of directors requires that directors make a reasonable effort to attend the company's annual meeting of stockholders. One board member attended the annual meeting of stockholders held in 2007.

Communication with the Board of Directors

A stockholder who wishes to communicate with the board of directors, or specific individual directors, may do so by directing a written request addressed to such directors or director in care of Jay C. Peterson, secretary, at the address appearing on the first page of this proxy statement. Communication(s) directed to members of the board of directors will be relayed to the intended board member(s).

Director Nominations

The Nominating Committee is comprised of independent directors (as such term is defined under the rules of the NASDAQ Stock market) with Mr. Agnich and Mr. Wells as members. The Nominating Committee did not meet during fiscal 2007. The Nominating Committee is currently in the process of adopting a charter that is consistent with the bylaws of the company and the standards of the NASDAQ Stock Market.

Director Compensation

During fiscal 2007, each non-employee director was paid a retainer of \$3,000 for each quarter. Additionally, each non-employee director was paid \$1,000 for the regularly scheduled and special meetings of the board of directors he or she attended and \$250 for participation in each telephonic meeting not considered an official board of directors' meeting. Total director fees earned in fiscal 2007 were \$80,250.

All non-employee directors participate in our 1992 Director Stock Option Plan. Non-employee directors receive, upon their initial election or appointment to the board of directors, stock options to purchase 25,000 shares of our common stock, having an exercise price equal to the market price of our common stock on the date of grant. Thereafter, each non-employee director will receive options to purchase 10,000 shares of our common stock on the anniversary date of his or her election or appointment to the board of directors. All of these options vest in equal amounts monthly over a three-year period but cease vesting at the time the director ceases to be a director. Currently the 1992 Director Stock Option Plan does not have sufficient options available for the granting of additional options to non-employee directors. In July 2006 each non-employee director was granted 12,772 shares of restricted stock.

The compensation of our employee directors is discussed at "Executive Compensation" below.

Report of the Audit Committee

The Audit Committee is composed of three outside directors and operates under a charter adopted by the board of directors according to the rules and regulations of the SEC and the NASDAQ Stock Market. The Audit Committee members during the fiscal year ended July 31, 2007 were Ms. Cote

(Chairperson), Mr. Wells, and Mr. Miles. The board of directors believes that all of these directors are independent as defined under the rules of the NASDAQ Stock Market.

The board of directors has determined that Ms. Cote has the qualifications and experience necessary to serve as an “audit committee financial expert,” as defined by the SEC.

The following is the report of the Audit Committee with respect to our audited financial statements for the fiscal year ended 2007 which include our consolidated balance sheets as of July 31, 2007 and 2006, and the related consolidated statements of operations, stockholders’ equity (deficit) and cash flows for each of the three years in the period ended July 31, 2007 and the notes thereto. The information contained in this report shall not be deemed to be “soliciting material” or to be “filed” with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate it by reference in such filing.

Review With Management

The Audit Committee has reviewed and discussed our audited financial statements with management.

Review and Discussions With Independent Accountants

The Audit Committee has discussed with Ernst & Young LLP, our independent accountants, the matters required to be discussed by SAS 61 (Codification of Statements on Accounting Standards) that includes, among other items, matters related to the conduct of the audit of our financial statements.

The Audit Committee has received the letter from Ernst & Young LLP required by Independent Standards Board Standard No. 1, that relates to the accountant's independence from our company and its related entities, and has discussed with Ernst & Young LLP their independence from our company.

Based on the review and discussions referred to above, the Audit Committee recommended to the board of directors that our audited financial statements be included in our annual report on Form 10-K for the fiscal year ended July 31, 2007.

The executive's duties, experience and levels of responsibility are used to determine the proper comparison within the surveys. The Company believes that salary surveys which utilize revenue size as well as industry focus provide appropriate

comparison information on which to base salary decisions. The Company may also consider other factors such as performance of the individual executive, success of the Company and competitive concerns, amongst others, in determining annual salaries and bonuses.

Equity Incentives. Equity incentives, including grants of stock options and restricted stock, are determined based on an assessment of the ability of the Company's officers to positively impact the Company's future performance and enhance stockholder value, as determined by their individual performances as opposed to the Company's overall corporate performance. The Company assesses the nature and scope of the officer's responsibilities, the officer's contribution to the Company's financial results, and the officer's effectiveness in leading the Company's initiatives to increase stockholder value. The Company also considers the

compensation levels of the top executives within a comparison group of companies provided by Watson Wyatt & Company, a global consulting firm focused on human capital and financial management.

The Company believes that the foregoing elements of compensation allow the Company to meet the stated objectives of its executive compensation program.

Omnibus Budget Reconciliation Act of 1993. The Omnibus Budget Reconciliation Act of 1993 added Section 162(m) to the Internal Revenue Code. With certain exceptions, beginning with the taxable year commencing January 1, 1994, Section 162(m) will prevent publicly held corporations, including the Company, from taking a tax deduction for compensation in excess of one million dollars paid to the Company's named executive officers in the Summary Compensation Table below. However, Section 162(m) will not apply to limit the deductibility of performance-based compensation exceeding one million dollars if:

- it is paid solely upon attainment of one or more performance goals;
- it is paid pursuant to a performance-based compensation plan adopted by the Compensation Committee; and
- the terms of the plan are approved by the stockholders before payment of the compensation.

The Compensation Committee has reviewed the Company's compensation plans with regard to the deduction limitation set forth in Section 162(m). The Compensation Committee believes that option grants under the Company's equity plans meet the requirements for deductible compensation. The Compensation Committee has decided for the present not to alter the Company's other compensation plans to meet the deductibility requirements of the regulations promulgated under the Internal Revenue Code. The Compensation Committee will continue to review the issue and its determination under the regulations under Section 162(m) and monitor whether the Company's compensation plans should be amended in the future to meet the deductibility requirements. The Compensation Committee does not anticipate that Section 162(m) will limit the deductibility of any compensation paid in fiscal year 2007. None of the Company's executive officers were affected by Section 162(m) in fiscal year 2007.
