Asure Software's Pat Goepel Presenting at the 7th Annual Fall Growth Stock Conference Hosted by Security Research Associates, Inc.

Asure Software CEO to Address Portfolio Managers and Analysts

AUSTIN, Texas, Nov. 9, 2011 (GLOBE NEWSWIRE) -- [Asure Software, Inc.](http://www.asuresoftware.com) (Nasdaq:ASUR), a leading provider of workforce management software solutions, today announced that CEO Pat Goepel will present at the 7th Annual Fall Growth Stock Conference hosted by Security Research Associates, Inc. ("SRA"). The conference will be held on Tuesday, November 15, at the Le Meridien Hotel in San Francisco. Mr. Goepel will speak at 12:00 p.m. PST.

"I'm looking forward to sharing Asure Software's story with the professional investment community. Asure has celebrated several recent successes, which will lead to significant, predictable growth and emergence as an industry leader in our areas of expertise," commented Mr. Goepel.

According to SRA's web site, conference attendees will include a select group of institutional portfolio managers and analysts, and will feature CEOs and CFOs from some of the fastest growing companies in the technology and life sciences sectors. SRA has arranged for webcasting of company presentations during this event.
