Asure Software Acquires Sheakley PaySystems

Asure Software Expands HCM Offering in Central US

AUSTIN, Texas, Jan. 02, 2018 (GLOBE NEWSWIRE) -- Asure Software (NASDAQ:ASUR), a leading provider of Human Capital Management (HCM) and workplace management software, announced today that it has acquired Sheakley PaySystems, a division of Sheakley Group Inc, an Ohio based provider of Workers Comp, Risk Management, HR, Payroll and employee benefits services with locations in Ohio, Tennessee and Iowa. Since 1963, Sheakley's family-operated, HR and Workers Comp Risk Management outsourcing firm has met the growing needs of employers and their employees through a blend of practical and innovative HR and Workers Comp Risk Management solutions.

Asure Software's CEO Pat Goepel commented, "The acquisition of Sheakley PaySystems will help solidify Asure's expansion in the central US. Asure will be able to deliver our expanded employee engagement solutions to Sheakley PaySystems current customers by offering access to Asure's complete suite of solutions for the modern workforce." Goepel continues, "With the opportunity to leverage a variety of new products and services, including powerful digital workspace solutions, Sheakley PaySystems clients and prospects will ensure the success of their most valuable resources - their people."

Sheakley President Matt Sheakley said, "This is an exciting time as we begin to write the next chapter in our company's history. Sheakley PaySystems clients will enjoy the same customer support experience that they have always valued and expected. As a result of this acquisition, Sheakley PaySystems will be able to offer our clients even more solutions to better manage their people and their space. The Asure brand will make our offering a truly comprehensive employer solution."

At Asure Software, we are continuing to provide exceptional workspace and workforce management solutions that increase employee productivity and engagement. We deliver on this promise every day by providing our clients with an innovative suite of SaaS solutions that take integral business processes to the next level, creating mobile, digital, agile organizations.
